 **Edit**

Read **Head First** [_ \(http://www.headfirstlabs.com/books/hfsd/\)](http://www.headfirstlabs.com/books/hfsd/) ch 7 and **UnitTest** [_ \(https://martinfowler.com/bliki/UnitTest.html\)](https://martinfowler.com/bliki/UnitTest.html)

Read the documentation for *your team's choice* of unit testing framework - probably best to find a walk-through tutorial rather than a reference manual

Recommended (optional): Find a mocking tool that plays nicely with your unit testing tool, and read its documentation too
