Agenda

1. AI presentations: Sruthi Sudhakar and Tao Long
2. **First Assessment starts tonight!**
3. Second Iteration starts next week

First Assessment Starts Tonight!

Available Friday October 25, 12:01AM
= tonight at 1 minute after midnight

Due Monday October 28, 11:59PM

May cover lecture material from beginning of semester (Sep 5) through last week (Oct 17), all assigned readings through last week, the mini-project and the first iteration

Submission: You must submit a pdf file on courseworks. You can submit as many times as you like until the deadline. We strongly recommend submitting a draft early

Late Policy: Submissions posted within one day late will receive maximum 75% credit; within two days late maximum 50% credit; within three days late maximum 25% credit; more than three days late 0 credit

Questions?

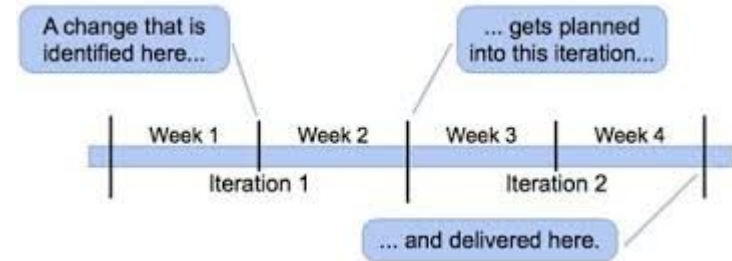

Q. Can I have an extension? A. No

You can post other questions to the teaching staff during the assessment period, but do not expect quick answers, and do not expect answers at all during the last few hours before the deadline

Agenda

1. AI presentations: Sruthi Sudhakar and Tao Long
2. First Assessment starts tonight!
3. **Second Iteration starts next week**

Rest of Semester Milestones
